

Certificate of Approval

This is to certify that the Management System of:

Glacier Energy Services Holdings Limited

Unit 603, Clyde Gateway East, London Road, Glasgow, G32 8RH, United Kingdom

has been approved by Lloyd's Register to the following standards:

ISO 14001:2015, ISO 45001:2018, ISO 9001:2015

Approval number(s): ISO 14001 – 00003812, ISO 45001 – 00003814, ISO 9001 – 00003813

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

The design, manufacture and sale of portable machining equipment for in situ machining operations. The provision of portable machining equipment and/or personnel for in situ machining operations. The application of corrosion resistant alloy and low alloy weld overlay deposit to third party supplied components. The design, manufacture, repair, re-tube, rebuild and replacement of heat exchangers and pressure vessels. The provision of welding and fabrication services. Provision of non-destructive testing and associated inspection services for the fabrication of fixed and mobile on-shore and off-shore structures including ancillary plant, equipment and pipework. Predominantly in the oil, gas, chemical, energy, utility and industrial sectors.

David Derrick

Area Operations Manager UK & Ireland
